Grant Proposal Title: _____

Role on the Grant (i.e., PI, Co-PI, post-doc, student, consultant, etc.): _____

I have received training from a representative of the Office of Sponsored Research regarding all aspects of Claremont McKenna College's financial conflict of interest policy. I have also reviewed the NIH Office of Extramural Research online FCOI tutorial. <http://grants.nih.gov/grants/policy/coi/tutorial2011/fcoi.htm>

I am disclosing the following significant financial interests as defined in 42 CFR Part 50, Subpart F. I am attaching supporting documentation that identifies the business enterprise or entity involved and the nature and amount of the interest:

- Salary or other payment for services (e.g., consulting fees or honoraria).
- Equity interests (e.g., stocks, stock options, or other ownership interests).
- Intellectual property rights (e.g., patents, copyrights, and royalties from such rights).
- Travel that is sponsored or reimbursed by an outside entity.
- Other significant financial interest of the investigator that possibly could affect or be perceived to affect the results of the research or educational activities funded or proposed for funding.
- I have no significant financial interests associated with this project.

Further I agree:

- I will comply with all aspects of CMC's FCOI policy.
- I will be notified if disclosure information is requested or required by any outside entity, including, but not limited to government agencies, auditors or funding agencies.
- To update this disclosure during the period of the award, either on an annual basis, or as new reportable significant financial interests are obtained. In the case of travel, the disclosure will occur no more than 30 days after the date of travel.
- To cooperate in the development of a plan to resolve any conflicts of interest.
- To comply with any conditions or restrictions imposed by the College to manage, reduce, or eliminate actual or potential conflicts of interests or to forfeit the award.
